Dear Miss Parlow,

I hear you have a very interesting new concerto by my friend Halvorsen, and I should very much like to go through it with you, as I might be able to include it in one of next season's Symphony Concerts. Would you please let me know a few of your free dates in London during the next few weeks, and I will endeavour to fix up an appointment.

With kindest regards,

Sincerely Yours,

Henry Wood

Dear Miss Patten,
I hear you have a very interesting new concerto by Mr. Elgar.
Harpner, and I should very much like to hear it with
you, as I might be able to include it in one of next season's
Symphony Concerts. Would you please let me know a few of your
free dates in London during the next few weeks, and I will
endeavour to fix up an appointment.

With kindest regards,

Sincerely yours,

Alfred Patten
